YOUNG MEN

Suffering from nervous and physicial debility, loss of memory, or vitality impaired by the errors of youth or too close application to business or work, may be restored and manhood regained.

Avoid all kidney medicines which are taken into the system by way of the stomach; it is an old freatment well tried and proven inefficient, though sometimes effecting apparent cures of one complaint they sow the seeds of more troublesome and permanent disorders. The price of our PAD brings it within the reach of all and it will annually save many times its cost in doctors bills, medicines and plasters, which at best give but temporary relief. It can be used without fear or harm, and with certainty of a permanent cure. For sale by druggists generally, or sent by mail (free of postaga) on receipt of the price. Regular Pad, (for incontinence of urine in children) \$1.50; Special, (extra size) \$3.00. Our book, "How a Life was Saved," giving the history of the price of the price
